multipurpose trolleys

Variocar[®]

Variocar[®]

Variocar® + Variocar® Viva multipurpose trolleys

The original multifunctional system. Often replicated – but never reached. The classic, functionally adaptable multipurpose trolley series with a licence for subsequent expansions thanks to the brilliant plug-in system.

The advantages of the system:

- ▶ **Multifunctionality**
From the simple basic trolley to the fully equipped functional trolley. A coherent, sophisticated system with a wide range of accessories for your individual requirements.
- ▶ **Modularity**
You design your own trolley according to your individual needs. With the brilliant plug-in-system you can add parts at any time or modulate your trolley.
- ▶ **Hygiene**
Mainly closed, easy to clean surfaces – even lateral and at the rear.
- ▶ **Shelves**
High quality, white, shelves with five-layer coatings on all sides, with solid edges, all sides plastic veneered. Non-fading, resistant against common disinfectants.
- ▶ **Chassis**
Very sturdy **square tubular steel frame with brilliant plug-in system**. Variocar® chromium-plated and Variocar®-Viva® aluminium, matt anodized with an elegantly discreet striped structure.
- ▶ **Drawers**
white with veneered fronts and elegant design handles. Light telescopic guide rollers with click-in mechanism. Easily removable.
- ▶ **Castors**
in three sizes (Ø 50 mm, Ø 75 mm, Ø 100 mm). On request lockable or electrically conductive.
- ▶ **Colours**
Shelves and drawers are white. The Variocar® trolleys are supplied as standard with white drawer handles. The Variocar® Viva models have grey drawer handles. Other beautiful handle colours can be found on page 10.
- ▶ **Assembly**
All trolleys are delivered disassembled, unless otherwise indicated. Assembled delivery is possible against surcharge.
- ▶ **Dimensions**

Widths:	490 / 600 / 900 mm
Depth:	450 mm
Heights:	520 / 705 / 730 / 830 / 870 mm
- ▶ **Loading capacity**

Total:	approx. up to 50 kg
Shelves without outer edge:	approx. up to 10 kg
Shelves with outer edge:	approx. up to 20 kg
Drawer:	approx. up to 10 kg
- ▶ **HAEBERLE specialises in particular in providing customized OEM versions for industrial clients. Let us know your specifications and we will provide you a trolley according to your personally requirements.**

Variocar®-Viva

multipurpose trolleys with aluminium frame

The Viva®-multipurpose-series with an elegant aluminium frame, presents itself in trendy light facility design. A slightly striped design, alu-silver matt anodised, white shelves, drawers and elegant grey design handles blend harmoniously into a modern ambience. The brilliant plug-in system for modular combination varieties, smooth, clear surfaces and all advantages of the Variocar® range make the Viva®-series a trendy highlight. All trolleys are delivered disassembled.
